**Just try to apply as much as you can:**

## Linkedin Referral

LinkedIn is one of the powerful tool which Every Individual should use efficiently. Here you can directly approach the Professional and the HRs who is currently working in the company and ask them to refer you for the particular role.

Some important tips to follow while asking for referrals:

- Just send them only one normal message.
- Without wasting any time, just be on the point.
- A message should consist of all the necessary details such as JOB ID.
- Also mention all the projects and experience if you have any
